MCA FILE Sen Warner

Dear Judge Webster:

I should like to express my appreciation for the excellent support provided to me and my staff by Mr. Jay Castillo, the director of the Arms Control Intelligence Staff, Mr. Larry Gerswhin, the NIO for Strategic Programs, and [redacted] CIA's legislative liaison, during the Senate's consideration of the INF Treaty.

These individuals consistently conducted themselves in a cheerful and professional manner, exhibiting a "can-do" attitude that should make CIA and the NIC proud. [redacted] insured that the Senate was provided in a timely manner with the benefit of the CIA's and the Intelligence Community's information as well as the insight of its analysts. Mr. Gerswhin and Mr. Castillo regularly provided us with the benefit of their insights, based on their many years as all-source analysts, into Soviet strategic programs.

Please extend my gratitude to these fine individuals and my wishes for their continued professional success.

Sincerely,

John Warner
